

Privacy Policy

iCan Hypnosis apps are provided for personal educational purposes. This SERVICE is provided by iCan Hypnosis at no further cost other than an optional upgrade purchase or an initial purchase cost and is intended for use as is.

This page is used to inform visitors regarding our policies with the collection, use, and disclosure of Personal Information for anyone who has decided to use this Service.

If you choose to use this Service, then you agree to the collection and use of information in relation to this policy. The Personal Information collected is used for providing and improving the Service. We will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

We will not collect any personally identifiable information while using our Service, or seek to use any data that may become available for personally identifying individuals.

For the purposes of providing advertising in the App (in the case of the App not being Ad free, e.g. when used as a free App without any upgrade) we may use third party providers as linked below.

For the purposes of improving the App using non-personally identifiable data about how the App is used we may use the third-party providers as linked below. Also, there is an option for users of Apple devices to allow sharing of analytics, diagnostics and usage information. The following link provides information and support about this service:

<https://support.apple.com/en-us/HT202100>

The app uses third party services that may collect information in accordance with privacy policies as linked to below:

- [Firebase Analytics](#)
- [AdMob](#)

Advertising & Privacy

We will only use advertising services which have been checked first to conform to accepted standards in regards to tracking information with options to limit Ad tracking. A link to the Apple support page for managing advertising tracking on the device is provided below:

<https://support.apple.com/en-us/HT205223>

Cookies

Cookies are files with a small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device's internal memory. Any web site associated with the App will seek consent to use cookies in accordance with International standards. Any such use of cookies will also be for analytical and advertising purposes only and not used for personally identifying individuals. The use of the App will not depend or require any visits to externally accessible websites, and such web services are only provided as is to offer further support as may be decided as necessary or desirable.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted on this page.
